Re: Petition for Emergency Relief by Momentum Business Solutions, Inc.  
Docket 03-00038

Dear Mr. Werner:

This is in response to your letter of November 5, 2003 concerning the status of the above-captioned Petition. Mr. David Benck, general counsel for Momentum Business Solutions, Inc. ("Momentum") has informed me that, shortly before receiving your letter, BellSouth finally responded to Mr. Benck's request to try to resolve the numerous billing disputes between the parties. It remains to be seen if the parties can resolve these disputes between themselves pursuant to the dispute resolution procedures contained in their interconnection agreement. For this reason, Momentum requests that the Petition remain open for an additional period of time while the parties continue negotiations.

Very truly yours,

BOULT, CUMMINGS, CONNERS & BERRY, PLC
